

nanoflann C++ library
for ANN

Parameter structs

```
graph RL; A[Parameter structs] --> B[nanoflann C++ library for ANN];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is white with a black border and contains the text 'nanoflann C++ library for ANN'. The box on the right is gray with a black border and contains the text 'Parameter structs'. A blue arrow points from the right side of the gray box to the left side of the white box, indicating a dependency or relationship where the parameter structs are used by the nanoflann library.
