

ccmc::Interpolator

```
classDiagram
    class ccmc_MASInterpolator["ccmc::MASInterpolator"]
    class ccmc_Interpolator["ccmc::Interpolator"]
    ccmc_MASInterpolator --|> ccmc_Interpolator
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'ccmc::MASInterpolator'. A blue arrow points vertically upwards from this box to a white box labeled 'ccmc::Interpolator' at the top. This indicates that 'ccmc::MASInterpolator' inherits from 'ccmc::Interpolator'.
